Subpart E—Restrictions To Protect Competitive Principles

§ 330.501 General restriction on movement after competitive appointment.

An agency may promote an employee or reassign him to a different line of work, or to a different geographical area, and it may transfer a present employee or reinstate a former employee of the same or another agency to a higher grade or different line of work, or to a different geographical area, only after 3 months have elapsed since the employee's latest nontemporary competitive appointment. OPM may waive the restriction against movement to a different geographical area when it is satisfied that the waiver is consistent with the principles of open competition.

§ 330.502 [Reserved]

§ 330.503 Assessment of compliance with competitive principles.

As one factor in assessing an agency's compliance with competitive principles, OPM will consider the relationship between appointments from competitive examinations and subsequent position changes. When OPM finds that an agency has not complied with competitive principles, either in an individual case or on a program basis, OPM will require the agency to take appropriate corrective action.
